**WE'VE GOT YOU COVERED WITH A FULL LINEUP FOR KAWASAKI MULES™**

*Essex transforms Kawasaki Mules with outfits of affordable products that improve the vehicle's ride and handling, add modular weather protection for passengers and that equip the unit with more cargo space. We feature innovative functions, top quality and ease of installation. Our outfits are custom tailored to meet individual requirements for Military, Government agencies, Security, Fire and Rescue, Commercial Fleets, Hunters, Ranchers and individuals that want the best accessories for their Mule utility vehicles.*

**4000 SERIES FULL LINE OF CABS, HARD TOPS, WINDSHIELDS AND DOORS ARE AVAILABLE**

- Enhance the Mule with our heavy duty bumpers, winches, hitches, suspension lifts and *Bigfoot* Kits. Essex line of *'SureFoot'* tires feature a bulletproof Kevlar belt, 1150# load rating, increased lateral stability and a heavy rim guard that lets you 'run flat' if necessary. We manufacture Mule lift kits & precision springs to improve the ground clearance, ride and handling.
- Carry more cargo with our Bed extensions, Cargo Cover, Racks, Baskets, Footlocker, Bed Seats, Dog-boxes and a variety of bed accessories. Check out our potent *WildFire Control Unit*, *Security /Response Vehicle* and Military "LATTV"
- Add an alternator, heavy duty batteries, LightBars, signals, mirrors, gauges, heaters, sound kits, body armor and many more items ...
- Our cab enclosures are modular. The hardtop and floorboards can be installed standalone. Add Essex's unique glass lift windshield. Add the rear sliding glass window and the quarter panels. Complete the cab with either steel or fabric covered doors. Finish it with our CabPak of Mirrors, 2 speed fan, floor mat and sound reduction closeouts; CD Stereos with 3 way speakers, Visor lightbars, Spot lights, bedlights and SureFoot tires.
